GETTING READY GUIDE

1

Tell your neighbors...
it's photo day!

Pets and pet products...
should be out of view

Open all window blinds...
& turn on all lights

Toilet seats down...
& hide all personal hygiene items

Clear all surfaces...
kitchen and bath countertops; tables and refrigerator magnets

Clean the home...
a clean home photographs like a house ready to be sold

3

Remove the pool hose...
your pool looks better without it!

The garage is the perfect place...
to hide items we don't want to see in the house

Pull vehicles out of the driveway...
and park at least 2 houses down

Landscape lighting...
should be in good working order

Clean the front Yard...
for maximum curb appeal
